

Weddings at
Jupiter Artland

A setting like no other

A venue like no other, Jupiter Artland is a magical and award winning contemporary sculpture park just a 20 minute drive from the centre of Edinburgh.

Jupiter Artland and its 100 acres of woodland, meadows and sculptures by world class international artists can be fully enjoyed by you and your guests, creating an enchanting day that no one will ever forget.

Jupiter Artland operates as a five-star visitor attraction from May to September and is closed to the public from October to April but weddings can be held all year round.

For a wedding between May and September at Jupiter Artland, we would recommend holding your ceremony and drinks reception outside in the Artland, although we can plan an inside location if weather dictates.

Your drinks reception, wedding meal and dancing would be in our beautiful Cottage Garden Marquee, set in a quiet garden with views across the countryside. The cobbled courtyard next to the Marquee is perfect for early evening drinks and canapés. Jupiter Artland can provide firepits and /or festoon lighting should you wish to create that festival atmosphere.

Whether it's an intimate wedding with only a few very special people or a much bigger gathering, Jupiter Artland offers the flexibility to create a fabulous day for you.

At Jupiter Artland we want your day to reflect you. We have a variety of unique locations within the estate that offer magical options to ensure your day is like no other.

Steadings Galleries | © Mark&Marsaili Mainz

If you are planning your wedding **between October and April**, then we would recommend holding your ceremony and reception in one of our internal spaces, including the beautiful Ballroom Gallery, with views across Jupiter Artland, or our whimsical Café Party, or the Steadings Galleries. The Cottage Garden Marquee is also still available and is fully heated.

The Artland and Sculptures

Regardless of your chosen date, a wedding at Jupiter Artland always includes use of the Artland and the sculptures for out-of-this-world wedding photographs. Why not encourage your guests to go and explore for themselves while you and your photographer take your wedding photos. We can provide complimentary maps and they can explore with a drink in hand. Alternatively, we can provide a guided tour from one of our staff members.

Wedding Capacities

Jupiter Artland is perfect for up to 80 guests for a ceremony and daytime reception, with up to an additional 40 guests in the evening if you wish. For weddings larger than this or for small, intimate weddings please get in touch to discuss your options.
