STUDENT COMMENTS:

... The installation was such a different way of looking at art and was very inspirational to me ...

Really inclusive and creative environment! friendly staff and really inspiring I have learnt a lot

... I really admire the devotion put into this project and I have been inspired to one day do something as big as this :) ...

TEACHER COMMENTS:

...very accessible to young people and to this adult with little contact with contemporary and conceptual art...it's broadened my own thinking and response...

... Allowed the student to be creative, learn and share ideas...

...A really fun and engaging way for pupils to explore contemporary art...
